(iii) in each audit report for an issuer, describe the scope of the auditor's testing of the internal control structure and procedures of the issuer, required by section 7262(b) of this title, and present (in such report or in a separate report)—

(aa) include maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the issuer;

(B) Initial and transitional standards

The Board shall adopt standards described in subparagraph (A)(i) as initial or transitional standards, to the extent the Board determines necessary, prior to a determination of the Commission under section 7211(d) of this title, and such standards shall be separately approved by the Commission at the time of that determination, without regard to the procedures required by section 7217 of this title that otherwise would apply to the approval of rules of the Board.

(C) Transition period for emerging growth companies

Any rules of the Board requiring mandatory audit firm rotation or a supplement to the auditor's report in which the auditor would be required to provide additional information about the audit and the financial statements of the issuer (auditor discussion and analysis) shall not apply to an audit of an emerging growth company, as defined in section 78c of this title. Any additional rules adopted by the Board after April 5, 2012, shall not apply to an audit of any emerging growth company, unless the Commission determines that the application of such additional requirements is necessary or appropriate in the public interest, after considering the protection of investors and whether the action will promote efficiency, competition, and capital formation.

(4) Advisory groups

The Board shall convene, or authorize its staff to convene, such expert advisory groups as may be appropriate, which may include practicing accountants and other experts, as well as representatives of other interested groups, subject to such rules as the Board may prescribe to prevent conflicts of interest, to make recommendations concerning the con-

(2) Board responses

The Board shall respond in a timely fashion to requests from designated professional groups of accountants and advisory groups referred to in paragraph (1) for any changes in standards over which the Board has authority.

(d) Evaluation of standard setting process

The Board shall include in the annual report required by section 7211(h) of this title the results of its standard setting responsibilities during the period to which the report relates, including a discussion of the work of the Board with any designated professional groups of accountants and advisory groups described in paragraphs (3)(A) and (4) of subsection (a), and its pending issues agenda for future standard setting projects.

§ 7214. Inspections of registered public accounting firms

(a) In general

(1) Inspections generally

The Board shall conduct a continuing program of inspections to assess the degree of compliance of each registered public accounting firm and associated persons of that firm with this Act, the rules of the Board, the rules of the Commission, or professional standards, in connection with its performance of audits, issuance of audit reports, and related matters involving issuers.

(2) Inspections of audit reports for brokers and dealers

(A) The Board may, by rule, conduct and require a program of inspection in accordance with paragraph (1), on a basis to be determined by the Board, of registered public accounting firms that provide one or more audit reports for a broker or dealer. The Board, in establishing such a program, may allow for differentiation among classes of brokers and dealers, as appropriate.

(B) If the Board determines to establish a program of inspection pursuant to subparagraph (A), the Board shall consider in establishing any inspection schedules whether differing schedules would be appropriate with respect to registered public accounting firms that issue audit reports only for one or more brokers or dealers that do not receive, handle, or hold customer securities or cash or are not a member of the Securities Investor Protection Corporation.

(C) Any rules of the Board pursuant to this paragraph shall be subject to prior approval by the Commission pursuant to section 7217(b) of this title before the rules become effective, including an opportunity for public notice and comment.

(D) Notwithstanding anything to the contrary in section 7212 of this title, a public accounting firm shall not be required to register with the Board if the public accounting firm is exempt from the inspection program which may be established by the Board under subparagraph (A).

(b) Inspection frequency

(1) In general

Subject to paragraph (2), inspections required by this section shall be conducted—

(A) annually with respect to each registered public accounting firm that regularly provides audit reports for more than 100 issuers; and

(B) not less frequently than once every 3 years with respect to each registered public accounting firm that regularly provides audit reports for 100 or fewer issuers.

(2) Adjustments to schedules

The Board may, by rule, adjust the inspection schedules set under paragraph (1) if the

Board finds that different inspection schedules are consistent with the purposes of this Act, the public interest, and the protection of investors. The Board may conduct special inspections at the request of the Commission or upon its own motion.

(c) Procedures

The Board shall, in each inspection under this section, and in accordance with its rules for such inspections—

(1) identify any act or practice or omission to act by the registered public accounting firm, or by any associated person thereof, revealed by such inspection that may be in violation of this Act, the rules of the Board, the rules of the Commission, the firm's own quality control policies, or professional standards;

(2) report any such act, practice, or omission, if appropriate, to the Commission and each appropriate State regulatory authority; and

(3) begin a formal investigation or take disciplinary action, if appropriate, with respect to any such violation, in accordance with this Act and the rules of the Board.

(d) Conduct of inspections

In conducting an inspection of a registered public accounting firm under this section, the Board shall—

(1) inspect and review selected audit and review engagements of the firm (which may include audit engagements that are the subject of ongoing litigation or other controversy between the firm and 1 or more third parties), performed at various offices and by various associated persons of the firm, as selected by the Board;

(2) evaluate the sufficiency of the quality control system of the firm, and the manner of the documentation and communication of that system by the firm; and

(3) perform such other testing of the audit, supervisory, and quality control procedures of the firm as are necessary or appropriate in light of the purpose of the inspection and the responsibilities of the Board.

(e) Record retention

The rules of the Board may require the retention by registered public accounting firms for inspection purposes of records whose retention is not otherwise required by section 7213 of this title or the rules issued thereunder.

(f) Procedures for review

The rules of the Board shall provide a procedure for the review of and response to a draft inspection report by the registered public accounting firm under inspection. The Board shall take such action with respect to such response as it considers appropriate (including revising the draft report or continuing or supplementing its inspection activities before issuing a final report), but the text of any such response, appropriately redacted to protect information reasonably identified by the accounting firm as confidential, shall be attached to and made part of the inspection report.

(g) Report

A written report of the findings of the Board for each inspection under this section, subject to subsection (h), shall be—

(1) transmitted, in appropriate detail, to the Commission and each appropriate State regulatory authority, accompanied by any letter or comments by the Board or the inspector, and any letter of response from the registered public accounting firm; and

(2) made available in appropriate detail to the public (subject to section 7215(b)(5)(A) of this title, and to the protection of such confidential and proprietary information as the Board may determine to be appropriate, or as may be required by law), except that no portions of the inspection report that deal with criticisms of or potential defects in the quality control systems of the firm under inspection shall be made public if those criticisms or defects are addressed by the firm, to the satisfaction of the Board, not later than 12 months after the date of the inspection report.

(h) Interim Commission review

(1) Reviewable matters

A registered public accounting firm may seek review by the Commission, pursuant to such rules as the Commission shall promulgate, if the firm—

(B) disagrees with the determination of the Board that criticisms or defects identified in an inspection report have not been addressed to the satisfaction of the Board within 12 months of the date of the inspection report, for purposes of subsection (g)(2).

(2) Treatment of review

Any decision of the Commission with respect to a review under paragraph (1) shall not be reviewable under section 78y of this title, or deemed to be “final agency action” for purposes of section 704 of title 5.

(3) Timing

Review under paragraph (1) may be sought during the 30-day period following the date of the event giving rise to the review under subparagraph (A) or (B) of paragraph (1).

(3) Trading prohibition after 2 years of non-inspections

If the Commission determines that a covered issuer has 2 consecutive non-inspection years, the Commission shall prohibit the securities of the covered issuer from being traded—

(i) on a national securities exchange; or
(ii) through any other method that is within the jurisdiction of the Commission to regulate, including through the method of trading that is commonly referred to as the “over-the-counter” trading of securities.

(B) Removal of initial prohibition

If, after the Commission imposes a prohibition on a covered issuer under subparagraph (A), the covered issuer certifies to the Commission that the covered issuer has retained a registered public accounting firm that the Board has inspected under this section to the satisfaction of the Commission, the Commission shall end that prohibition.

(C) Recurrence of non-inspection years

If, after the Commission ends a prohibition under subparagraph (B) or (D) with respect to a covered issuer, the Commission determines that the covered issuer has a non-inspection year, the Commission shall prohibit the securities of the covered issuer from being traded—

(i) on a national securities exchange; or
(ii) through any other method that is within the jurisdiction of the Commission to regulate, including through the method of trading that is commonly referred to as the “over-the-counter” trading of securities.

(D) Removal of subsequent prohibition

If, after the end of the 5-year period beginning on the date on which the Commission imposes a prohibition on a covered issuer under subparagraph (C), the covered issuer certifies to the Commission that the covered issuer will retain a registered public accounting firm that the Board is able to inspect under this section, the Commission shall end that prohibition.

(4) Rules

Not later than 90 days after December 18, 2020, the Commission shall issue rules that establish the manner and form in which a covered issuer shall make a submission required under paragraph (2)(B).

Any foreign public accounting firm that prepares or furnishes an audit report with respect to any issuer, broker, or dealer, shall be subject to this Act and the rules of the Board and the Commission issued under this Act, in the same manner and to the same extent as a public accounting firm that is organized and operates under the laws of the United States or any State, except that registration pursuant to section 7212 of this title shall not by itself provide a basis for subjecting such a foreign public accounting firm to the jurisdiction of the Federal or State courts, other than with respect to controversies between such firms and the Board.

(2) Board authority

The Board may, by rule, determine that a foreign public accounting firm (or a class of such firms) that does not issue audit reports nonetheless plays such a substantial role in the preparation and furnishing of such reports for particular issuers, brokers, or dealers, that it is necessary or appropriate, in light of the purposes of this Act and in the public interest or for the protection of investors, that such firm (or class of firms) should be treated as a public accounting firm (or firms) for purposes of registration under, and oversight by the Board in accordance with, this subchapter.

The Commission, and the Board, subject to the approval of the Commission, may, by rule, regulation, or order, and as the Commission (or Board) determines necessary or appropriate in the public interest or for the protection of investors, either unconditionally or upon specified terms and conditions exempt any foreign public accounting firm, or any class of such firms, from any provision of this Act or the rules of the Board or the Commission issued under this Act.

(d) Service of requests or process

(1) In general

Any foreign public accounting firm that performs work for a domestic registered public accounting firm shall furnish to the domestic registered public accounting firm a written irrevocable consent and power of attorney that designates the domestic registered public accounting firm as an agent upon whom may be served any request by the Commission or the Board under this section or upon whom may be served any process, pleadings, or other papers in any action brought to enforce this section.

laws, or is necessary or appropriate in the public interest or for the protection of investors.

(4) Proposed rule procedures

The provisions of paragraphs (1) through (3) of section 78s(b) of this title shall govern the proposed rules of the Board, as fully as if the Board were a “registered securities association” for purposes of that section 78s(b), except that, for purposes of this paragraph—

(A) the phrase “consistent with the requirements of this chapter and the rules and regulations thereunder applicable to such organization” in section 78s(b)(2) of this title shall be deemed to read “consistent with the requirements of title I of the Sarbanes-Oxley Act of 2002, and the rules and regulations issued thereunder applicable to such organization, or as necessary or appropriate in the public interest or for the protection of investors”; and

78s(d)(2) and 78s(e)(1), except that, for purposes of this paragraph—

(A) section 7215(e) of this title (rather than that section 78s(d)(2)) shall govern the extent to which application for, or institution by the Commission on its own motion of, review of any disciplinary action of the Board operates as a stay of such action;

The Commission may, by order, as it determines necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this Act or the securities laws, censure or impose limitations upon the activities, functions, and operations of the Board, if the Commission finds, on the record, after notice and opportunity for a hearing, that the Board—

(A) has violated or is unable to comply with any provision of this Act, the rules of the Board, or the securities laws; or

(B) without reasonable justification or excuse, has failed to enforce compliance with any such provision or rule, or any professional standard by a registered public accounting firm or an associated person thereof.

(3) Censure of Board members; removal from office

The Commission may, as necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of this Act or the securities laws, remove from office or censure any person who is, or at the time of the alleged misconduct was, a member of the Board, if the Commission finds, on the record, after notice and opportunity for a hearing, that such member—
